Course Policies & Procedures

Technology Enhanced Course

This is a face-to-face course that requires attendance in face-to-face meetings and utilization of online resources.

Communicating With the Instructor

This course uses a Canvas discussion board called "Hallway Conversations" for general questions about the course. Prior to posting a question, please check the syllabus, announcements, and existing posts. If you do not find an answer, post your question. You are encouraged to respond to the questions of your classmates.

Email questions of a personal nature to your instructor or assigned TA. You can expect a response within 48 hours.

Email and Canvas Inbox

ASU email is an official means of communication among students, faculty, and staff (<http://www.asu.edu/aad/manuals/ssm/ssm107-03.html>). Instructor correspondence will be sent to **your ASU email account or through the Canvas Conversations Inbox(Hallway Conversations) tool**. Please ensure that your Canvas notification preferences are current at the beginning of each semester (for more information see <https://community.canvaslms.com/docs/DOC-10624-4212710344>)

Students are expected to read and act upon email in a timely fashion. Students bear the responsibility of missed messages and should check their ASU-assigned email and Canvas Inbox regularly.

Campus Network or Canvas Outage

When access to Canvas is not available for an extended period of time (greater than one entire evening) you can reasonably expect that the due date for assignments will be changed to the next day (assignment still due by 11:59pm).

If an outage occurs, it is expected that you will confirm that the outage is with the University and not your local internet service provider. To monitor the status of campus networks and services, please visit the System Health Portal (<https://uto.asu.edu/system-health>). If a system-wide ASU outage is NOT listed, you are responsible for contacting the ASU Help Desk to report and troubleshoot the issue. By contacting the help desk, a request case number will be created for you, which serves as an important documentation of your attempt to resolve any technical problems in a timely fashion. You may be required to forward this documentation to your instructor.

Course Time Commitment

This three-credit course requires approximately 135 hours of work. Please expect to spend 3 hours each week in class and approximately 6 hours each week completing homework and preparing for the class time.

Absences and Late or Missed Assignments

Students are expected to attend every class and remain in class for the duration of the session. Failure to attend class or arrive late may impact your ability to achieve course objectives which could affect your course grade. An absence, excused or unexcused, does not relieve a student of any course requirement. Regular class attendance and adherence to assignment/test due dates are the student's responsibility. Please follow the appropriate University policies to request an accommodation for religious practices

(<http://www.asu.edu/aad/manuals/acd/acd304-04.html>)or to accommodate a missed assignment due to University-sanctioned activities (<http://www.asu.edu/aad/manuals/acd/acd304-02.html>)

Notify the instructor BEFORE an assignment is due if an urgent situation arises and the assignment will not be submitted on time. Unless prior arrangements are made, assignments submitted after the due date will be subject to a 10% per day penalty until the 5th day, when a zero will be earned. Published assignment due dates (Arizona Mountain Standard time) are firm. Please follow the appropriate University policies to request an accommodation for religious practices <http://www.asu.edu/aad/manuals/acd/acd304-04.html> or to accommodate a missed assignment due to University-sanctioned activities (<http://www.asu.edu/aad/manuals/acd/acd304-02.html>)
