**Enrollment Requirements**

**GPA Requirement:** None

**Incompatible Majors:** BSP in urban planning

**Other Enrollment Requirements:** None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Students interested in pursuing a minor should consult their academic advisor to declare the minor and to ensure that an appropriate set of courses is taken. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and the minor. Students should contact their academic advisor for more information.

**Attend Online**

ASU offers this program in an online format with multiple enrollment sessions throughout the year. Applicants may view the program description and request more information here.

**Career Opportunities**

Students who wish to gain a further understanding of their communities, from the neighborhood to the national level, can benefit from an urban planning minor. The focus of this education provides insights
into how neighborhoods are created, and the effects that the planning of neighborhoods has on its residents.
