Architectural Studies, Minor

ARSTDMIN

If you are studying another major but are interested in architectural studies, add this minor to add to your knowledge.

Description

The architectural studies minor is available to nonarchitecture majors interested in this field.

The courses are designed to provide an overview of architecture throughout history while focusing on architectural design, with the intention of exploring the process of architectural thinking.

Depending on a student's undergraduate program of study, prerequisite courses may be needed in order to complete the requirements of this minor.

Enrollment Requirements

GPA Requirement: 2.50

Incompatible Majors: BSD in architectural studies

Other Enrollment Requirements: None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Students interested in pursuing a minor should consult their academic advisor to declare the minor and to ensure that an appropriate set of courses is taken. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and the minor. Students should contact their academic advisor for more information.
