To know another language is to know another culture and be able to communicate with a multitude of different people. Spanish has the second most native speakers in the world and has more than 500 million total speakers worldwide. This program strengthens your career potential by making you more adept at navigating cultural practices.

**Program Description**

The BA program in Spanish emphasizes language studies and examines the cultural production of Spanish-speaking communities, in Spanish.

This program provides students with the skills to communicate confidently in both a written and oral form. Students learn the history, arts, literature and cultures of Spanish-speaking countries. Graduates are prepared for graduate study, specialized professional training, government careers, and commercial and international careers.

This major is eligible for the Western Undergraduate Exchange program at the following location: West campus. Global Experience

With over 250 programs in more than 65 countries (ranging from one week to one year), study abroad is possible for all ASU students wishing to gain global skills and knowledge in preparation for a 21st-century
Students earn ASU credit for completed courses, while staying on track for graduation, and may apply financial aid and scholarships toward program costs. [https://mystudyabroad.asu.edu/](https://mystudyabroad.asu.edu/)

### Career Opportunities

The Spanish program offers excellent preparation for graduate school or for employment as a teacher in the elementary or secondary school system, especially in those districts where bilingual programs are integral to the curricula. Outside the education system, students majoring in Spanish find employment as translators and interpreters in:

- diplomatic corps
- federal and state courts
- law enforcement agencies
- law firms
- social agencies

The business world also provides employment for those fluent in Spanish. This is especially true in the American Southwest, with its proximity to Mexico and through outlets opened by multinational trade agreements.

Career examples include but are not limited to those shown in the following list. Advanced degrees or certifications may be required for academic or clinical positions.
