Digital Audiences (Graduate Certificate)

CSDASGRCT

Boost your credibility in the digital marketing and strategy field. Learn how to execute digital strategy in any industry, through hands-on experience in digital analytics, SEO, paid and organic social media campaigns, audience research, and more.

Program Description

Degree Awarded: Certificate Digital Audiences (certificate)
The graduate certificate in digital audiences prepares students to execute audience growth and engagement strategies in any industry.

Students learn to measure and analyze how consumers interact with content online, on social media and on mobile devices. Using those measurement skills, students develop strategies and tactics to grow audiences through search engine optimization, search engine marketing, paid and organic social media campaigns, and digital content creation.

This program is designed for professionals who want to develop new skills, take on new responsibilities or more effectively promote their work.

Los Angeles location: Currently, programs of study are offered in a hybrid learning model. Select courses are offered through in-person instruction in the Herald Examiner building. The majority of courses are offered virtually from Arizona through a combination of synchronous and asynchronous learning technologies. Students should consult their advisor and schedule of classes for additional information.
