Digital Audiences, BS

CSDIGABS

Learn how to impact any organization's digital platform and audience growth. The BS in digital audiences will give you hands-on experience with real clients and real data and skills in social media campaigns, search engine strategy and SEO, analytics and strategy development.

Program Description

In an increasingly digital world, virtually all companies and organizations are looking for professionals who know how to grow and engage audiences online. The BS program in digital audiences prepares students to reach audiences strategically with digital content and to demonstrate measurable growth.

Admission Requirements

General University Admission Requirements:
All students are required to meet general university admission requirements.

Difficulty | Freshman | Transfer | International | Readmission

### Change of Major Requirements

A current ASU student has no additional requirements for changing majors.

Students should refer to [https://changemajor.apps.asu.edu](https://changemajor.apps.asu.edu) for information about how to change a major to this program.

### Attend Online

ASU offers this program in an online format with multiple enrollment sessions throughout the year. Applicants may view the program description and request more information [here](#).

### Transfer Options

ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use [MyPath2ASU™](#) to outline a list of recommended courses to take prior to transfer.

ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and help students save time and money in their college journey. Students may learn more about these programs by visiting the admission site: [https://admission.asu.edu/transfer/pathway-programs](https://admission.asu.edu/transfer/pathway-programs).

### Global Opportunities

#### Global Experience

As different companies and organizations seek to influence more people around the world, understanding unique cultural perspectives is key. Study abroad exposes students to unique perspectives, opinions and audiences that consume digital content. In preparation for a 21st-century career, students should look for programs that utilize experiential learning with organizations like social media companies or PR firms, in countries like Japan and the UK where millions consume digital content every day. ### Career Opportunities
Professionals with expertise in content strategy for digital audiences are in high demand across sectors and industries. Among the many career opportunities available are positions such as digital strategists, social media managers, public relations specialists, engagement managers, digital news editors, political campaign strategists, community organizers and corporate branding specialists.

Career examples include but are not limited to those shown in the following list. Advanced degrees or certifications may be required for academic or clinical positions.
