ASU is no longer accepting new students to this program. Please explore Degree Search for other similar program options.

Program Description

The BS in nutrition with a concentration in dietetics prepares students with the required coursework and skill set to apply for a dietetic internship required to sit for the registration exam to become a registered dietitian, which is a food and nutrition expert. In addition to a core of professional nutrition courses, students complete a broad range of science, management and communication classes. The program emphasizes the application of nutrition within clinical, community, food production and wellness areas.

More information about this credential and the requirements for this credential can be found at [https://www.eatrightpro.org/about-us/become-an-rdn-or-dtr/dietetic-careers](https://www.eatrightpro.org/about-us/become-an-rdn-or-dtr/dietetic-careers).

Transfer Options

ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use the Transfer Map search to outline a list of recommended courses to take prior to transfer.

ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and help students save time and money in their college journey. Students may learn more about these programs by visiting the admission site: https://admission.asu.edu/transfer/pathway-programs.

Global Opportunities

Global Experience

In the field of nutrition, studying abroad can expose students to unique health environments and expand students' knowledge of culturally specific health approaches. Students gain a deeper understanding of how food and culture intertwine and how to communicate nutritional and sanitary standards to a diverse audience. Students enhance their resumes with study abroad through heightened communication, cultural competency and critical thinking skills. https://mystudyabroad.asu.edu/

The College of Health Solutions recommends the following study abroad programs for students majoring in nutrition with a concentration in dietetics: http://links.asu.edu/SAO.nutrition-dietetics.
