**Additional Requirements:**

**Important:** Applicants must submit an ASU application for undergraduate admission in addition to a separate School of Music application. Students should visit [https://music.asu.edu/admissions/undergraduate-steps-to-apply](https://music.asu.edu/admissions/undergraduate-steps-to-apply) for details. Admission to the School of Music is based on an audition. Live auditions take place on campus in November (spring admission) and in January and February (fall admission) of each year. Applicants may review audition information at [http://music.asu.edu/admissions/undergraduate-auditions](http://music.asu.edu/admissions/undergraduate-auditions).

Admission to the School of Music is highly selective and based on an audition process. Students are admitted as music audition students and must successfully complete the audition before enrolling in music major courses. Upon admission to both ASU and the School of Music, the applicant's major will be changed to music. In the event a student is admitted to ASU but not to the School of Music or misses the audition deadline, the student will remain as a music audition major and will need to successfully pass the music audition milestone in the first semester in order to gain admission into the program.
