Learn to be a flexible and sensitive musician in a variety of settings such as orchestra, band, chamber ensemble or as a soloist.

**Program Description**

The BMus program in performance with a concentration in an orchestral instrument focuses on the study of music literature and techniques on a specific orchestral instrument. Students receive coaching from world-renowned faculty and visiting guest artists, attend masterclasses, and receive extensive performance experience in large ensembles as a chamber musician and as a soloist.

Students study a specific orchestral instrument intensively with a faculty member for eight semesters including major repertoire, solo literature and chamber music. Training is focused toward preparing students for a career in orchestral or chamber groups, in military bands or as a private lesson instructor. Students learn skills that prepare them for auditions and learn how to network with other musicians, how to market themselves professionally, and how to schedule and organize recitals and performances.

Admission Requirements

General University Admission Requirements:

All students are required to meet general university admission requirements.

Additional Requirements:

Important: Applicants must submit an ASU application for undergraduate admission in addition to a separate School of Music application. Students should visit https://music.asu.edu/admissions/undergraduate-steps-to-apply for details. Admission to the School of Music is based on an audition. Live auditions take place on campus in November (spring admission) and in January and February (fall admission) of each year. Applicants may review audition information at http://music.asu.edu/admissions/undergraduate-auditions.

Admission to the School of Music is highly selective and based on an audition process. Students are admitted as music audition students and must successfully complete the audition before enrolling in music major courses. Upon admission to both ASU and the School of Music, the applicant's major will be changed to music. In the event a student is admitted to ASU but not to the School of Music or misses the audition deadline, the student will remain as a music audition major and will need to successfully pass the music audition milestone in the first semester in order to gain admission into the program.

Application Deadlines: Students should visit https://music.asu.edu/admissions/undergraduate-deadlines-fees for complete music deadlines.

Spring 2020: The deadline to apply for admission to this program is Oct. 15, 2019.

Fall 2020: The deadline to apply for admission to this program is Jan. 5, 2020.

Transfer Admission Requirements:

Transfer Applicants: Transfer of courses from other accredited institutions is subject to the existence of parallel and equal courses in the college's curriculum, and departmental or school evaluation of studio and class piano courses with respect to performance standards.

Every candidate for the bachelor's degree must earn a minimum of 30 credit hours in resident credit at ASU. Transfer students enrolled in the institute must complete a minimum of 15 resident credit hours in the major as approved by the faculty.
