Creative Enterprise and Cultural Leadership, MA

HICECLMA

Program Description

Degree Awarded: MA Creative Enterprise and Cultural Leadership

The MA program in creative enterprise and cultural leadership empowers students to advance innovation in the cultural sector, support creative work and careers, and design public and private enterprises that will strengthen arts and design in the future. The program prepares graduates to understand the complex economic, legal, political and social context that surrounds any innovation or enterprise. Students are exposed to design thinking pedagogy as they increase their capacity for interpersonal communication, public communication, opportunity recognition, network and systems thinking, problem recognition and creativity. Students also demonstrate ability in cultural leadership and knowledge of the creative industries, distribution of creative products, the creative process and management of innovation in the creative industries.
