Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at
graduation. Students interested in pursuing a minor should consult their academic advisor to declare the
minor and to ensure that an appropriate set of courses is taken. Minor requirements appear on the degree
audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the
college or department of either the major program or the minor. Courses taken for the minor may not count
toward both the major and the minor. Students should contact their academic advisor for more information.
