Spanish, BA

LASPABA

Explore the Hispanic world's fascinating cultures by learning the world's third most spoken language, with about 40 million Spanish speakers in the U.S. alone. Fluency in Spanish, coupled with critical and analytical skills, offers an unparalleled competitive edge in today's job market and our increasingly diverse society.

Program Description

Students pursuing a BA degree in Spanish have the opportunity to gain reading, speaking and writing proficiency in the language. The Tempe campus program offers two study options: the Spanish linguistics track and the Spanish literature and culture track.

The linguistics track provides an in-depth understanding of the Spanish language (syntax, morphology) while the literature and culture track addresses historical and contemporary issues throughout the Spanish-speaking world as seen through the lenses of Spanish language, and Latin American and Mexican American culture and literature.

A Bachelor of Arts degree in Spanish is also available for ASU Online students; it combines courses from both the linguistics track and the literature and culture track.

Students majoring in Spanish also may work toward a professional certificate in Spanish-to-English translation.

Students are encouraged to contact a school advisor to discuss which option is best for them. Throughout the year, through study abroad and exchange programs, ASU offers opportunities to study in Spain, Mexico and other countries in which Spanish is spoken. More information regarding study abroad opportunities is available at https://mystudyabroad.asu.edu/.
