**Enrollment Requirements**

**GPA Requirement**: 2.00

**Incompatible Majors**: BAS in applied science (applied leadership); BA in organizational leadership; BA in organizational leadership (project management); BAS in project management.

**Other Enrollment Requirements**: None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Students interested in pursuing a minor should consult their academic advisor to declare the minor and to ensure that an appropriate set of courses is taken. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and the minor. Students should contact their academic advisor for more information.

**Attend Online**
ASU offers this program in an online format with multiple enrollment sessions throughout the year. Applicants may view the program description and request more information [here](#).

**Career Opportunities**

A minor can help students enhance the marketable skills they acquire in their major program and help them develop new skills apart from it, though most career areas do require more training than a minor alone can provide.

A minor in organizational leadership can help students with communication and cultural competency skills as they pursue careers in organizational behavior, organizational leadership, management and others.

Graduates of the program are prepared for a range of positions in government, health care administration, nonprofit agencies and the service industry.
