Program Requirements

Minor Map (Archives)
2019 - 2020 Minor Map

This minor requires 15 upper-division credit hours.

- HCI 311: Health Innovation: Foundational Concepts (3)
- HCI 412: Transforming Health Care: A Systems Perspective for Innovation (3)
- HCI 421: Health Care Policy: The Innovator's View (3)
- HCI 425: Facilitating Innovation to Achieve Outcomes (3)
- HCI 428: Technology: A Tool to Advance Innovation in Health Care (3)

A "C" (2.00 on a 4.00 scale) or better is required in all courses.

Depending on a student's undergraduate program of study, prerequisite courses may be needed in order to complete the requirements of this minor.
Enrollment Requirements

**GPA Requirement:** 2.00

**Incompatible Majors:** BS in health innovation

**Other Enrollment Requirements:** None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Students interested in pursuing a minor should consult their academic advisor to declare the minor and to ensure that an appropriate set of courses is taken. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and the minor. Students should contact their academic advisor for more information.
