Nursing, MS

NUNURDTMS

Program Description

Degree Awarded: MS Nursing

The MS program in nursing is a post-baccalaureate degree designed to meet both the requirements for a Master of Science degree within Arizona State University and the professional nursing requirements outlined in the American Association of Colleges of Nursing Essentials and the National League for Nursing competencies. The program focus is to provide nurses with advanced education and skills in the translation of concepts, practices and principles of leadership and improvement science that will lead to safe, effective, coordinated, patient-centered health services, improved health outcomes and reduction of health care costs.

Admission Requirements

Applicants must fulfill the requirements of both the Graduate College and the Edson College of Nursing and Health Innovation.

Applicants are eligible to apply to the program if they have earned a bachelor's or master's degree in nursing or a related field from a regionally accredited institution.

Applicants must have a minimum of a 3.00 cumulative GPA (scale is 4.00 = "A") in the last 60 hours of their first bachelor's degree program, or applicants must have a minimum of a 3.00 cumulative GPA (scale is 4.00 = "A") in an applicable master's degree program.

Applicants are required to submit:

1. graduate admission application and application fee
2. official transcripts
3. three letters of recommendation
4. professional resume
5. written statement
6. proof of English proficiency

Additional Application Information

An applicant whose native language is not English (regardless of current residency) must provide proof of English proficiency.

All students are also required to have an unencumbered Arizona RN license or an unencumbered compact state RN license as mandated by the Arizona State Board of Nursing. The RN license must remain unencumbered throughout enrollment in any nursing program.

An interview with faculty is required.
