Social Work - Advanced Standing - Direct Practice, MSW

Moment by moment and person by person, social workers improve lives and strengthen communities. Wherever life takes you, this master's degree prepares you, a recent BSW graduate, to thrive in numerous professional settings, including mental health organizations, schools, nonprofits and government agencies.

Program Description

Degree Awarded: MSW Social Work (Advanced Direct Practice)
The advanced standing --- direct practice concentration of the MSW consists of three specializations that prepare students for professional practice with diverse populations in a wide variety of settings. Across all specializations, the curriculum is guided by the social work values that emphasize evidence-based practice, client strengths, social justice and client empowerment. The primary curriculum goal of the Master of Social Work program is to educate advanced social work practitioners who demonstrate the knowledge, skills, values and ethics of the profession and who are competent for specialized practice.

This program is accredited by the Council on Social Work Education.

**Additional Curriculum Information**
Students on the 39 credit hour path have an undergraduate Council on Social Work Education accredited
BSW in Social Work with a 3.20 Jr/Sr GPA within the last 6 years.

Students on the 51 credit hour path have an undergraduate CSWE accredited BSW in Social Work degree.

The students on the 60 credit hour path have an undergraduate degree that is not directly in social work or
community advocacy. Students in this path may need to take foundation coursework as part of their
elective coursework to satisfy CSWE requirements. Students should see the academic advisor when
selecting courses.

All credit hour path criteria must be approved by the academic unit prior to selection in the iPOS. The
academic unit will advise and monitor students to ensure they choose the appropriate coursework. Core
course selection will depend on the student's background.

Students select from specializations in:

- children, youth and families
- health, behavioral health
- public child welfare

The amount of restricted elective coursework depends on the credit hour path selected based on the
student's background. Students should see the academic unit for a complete list of approved specialization
and elective coursework.
Admission Requirements
