Corrections Management (Graduate Certificate)

Do you aspire to work in a managerial position at a prison or jail or in a probation or parole department? Then this program is for you. The curriculum provides those already holding a bachelor's degree with specialized knowledge and skills to help advance careers in corrections management.

Program Description

Degree Awarded: Certificate Corrections Management (Certificate)

The graduate certificate in corrections management provides coursework in criminal justice organizations, corrections and community supervision, institutional management and in cross-disciplines such as public administration. The certificate program is designed to give students a solid foundational understanding of correctional administration, leadership and policy analysis.

Admission Requirements

Applicants must fulfill the requirements of both the Graduate College and the Watts College of Public Service and Community Solutions.

Applicants are eligible to apply to the program if they have earned a bachelor's or master's degree from a regionally accredited institution.

Applicants must have a minimum of a 3.00 cumulative GPA (scale is 4.00 = "A") in the last 60 hours of their first bachelor's degree program, or applicants must have a minimum of a 3.00 cumulative GPA (scale is 4.00 = "A") in an applicable master's degree program.

All applicants must submit:

1. graduate admission application
2. official transcripts
3. written statement of career and educational goals
4. proof of English proficiency

Students not admitted to a graduate degree-granting program at ASU (nondegree-seeking students) must also submit two letters of recommendation and a current resume.

Additional Application Information
An applicant whose native language is not English (regardless of current residency) must provide proof of English proficiency.

Students from related fields, such as public policy, political science, psychology, sociology, as well as other social science degrees, might be interested in this program; however, all eligible students will be considered. Although most students would most likely come from the aforementioned degree fields, there is no specific undergraduate degree major required for admission; the school will accept applicants with undergraduate degrees from all educational backgrounds.
There are no required admission examinations for this program.

Students should see the program website for application deadlines and admission terms.
