Community Sports Management, **Minor**

PPCSMMIN

Are you passionate about sport or interested in working in an organization that provides sport programming, such as nonprofit organizations, municipal governments and international development agencies? This minor provides the basics of community sport management and supplements a degree in a community-oriented profession.

**Description**

The community sports management minor focuses on developing skills to support recreational amateur sport programs within the community. Sport programs exist in a number of settings, including nonprofit organizations, public agencies and corporate programs. For a student interested in a career in one of these settings, or simply interested in sport, this minor can provide additional skills relevant to any of those professions.

Depending on a student's undergraduate program of study, prerequisite courses may be needed in order to complete the requirements of this minor.

Enrollment Requirements

GPA Requirement: 2.00

Incompatible Majors: None

Other Enrollment Requirements: None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Students interested in pursuing a minor should consult their academic advisor to declare the minor and to ensure that an appropriate set of courses is taken. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and the minor. Students should contact their academic advisor for more information.

Career Opportunities
A minor can help students enhance the marketable skills they acquire in their major program and help them develop new skills apart from it, though most career areas do require more training than a minor alone can provide. A minor in community sport management can help students as they pursue careers as coaches and sports marketing managers.
