Program Description

Degree Awarded: Certificate Nonprofit Leadership and Management (certificate)

The graduate certificate program in nonprofit leadership and management provides students with an understanding of the nonprofit sector's role in society and with knowledge applicable to those who wish to lead and manage nonprofit organizations. The objective of this program is to provide students from diverse academic backgrounds with exposure to content needed by leaders in the nonprofit sector, including the understanding of the historical and philosophical context for nonprofit organizations in society, the theory and practice of philanthropy, financial management practices and other topical content areas.

The certificate is ideal when combined with a graduate degree in another area and when used to provide a core concentration in nonprofit leadership and management.
