Master of Public Safety Leadership and Administration, MPSLA

As an experienced administrator, you know the power that collaborative curriculum, well-reputed faculty and networking with leaders can have on your career. This program's graduates have a reputation for success leading policing, homeland security, and fire and emergency management agencies across the country and, in some cases, around the world.

Program Description

Degree Awarded: MPSLA Public Safety Leadership and Administration

The MPSLA is a graduate degree program designed primarily for public safety professionals. An advanced degree is increasingly important for career progression within public safety administration. Those with an advanced degree have an advantage as they seek to advance in their professions: a practical understanding of public safety organization administration. Graduates of this program should expect to find employment and advancement in all levels of government agencies as well as in private sector organizations.
