Recreation Management, Minor

PPRECMIN

Enhance your major with a deeper knowledge of community recreation. Gain an understanding of how leisure, sports and recreation enhance quality of life, and walk away with the ability to create and manage meaningful recreation experience.

Description

The minor program in recreation management introduces students to community recreation programming and planning for a variety of populations.

The minor allows students enrolled in other undergraduate programs at ASU to broaden their educational experiences. Students from such various disciplines as social work, criminology and criminal justice, public affairs, kinesiology, psychology, sociology, education, nursing, and many others might find this program a beneficial supplement to their existing program.

3. should be a junior to take 400-level courses
4. no double counting of courses for a major and the minor

Depending on a student's undergraduate program of study, prerequisite courses may be needed in order to complete the requirements of this minor.

Enrollment Requirements

GPA Requirement: 2.00

Incompatible Majors: BS in parks and recreation management; BS in recreation therapy; BS in parks and recreation management (therapeutic recreation)

Other Enrollment Requirements: None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Students interested in pursuing a minor should consult their academic advisor to declare the minor and to ensure that an appropriate set of courses is taken. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and the minor.

Career Opportunities
Graduates with a minor in recreation management can find opportunities in diverse settings involving a wide range of organizations, including recreation, sports and youth development.
