Global Opportunities

Global Experience
Students in the Master of Applied Leadership and Management program have the unique opportunity to apply their learning in an international setting. Some options include:

Global Field Seminar --- During this intensive one-week course, students will enjoy a hands-on learning experience in a focused region of the world, comprised of company site visits, high-level meetings and presentations with business, government and cultural leaders as well as Thunderbird alumni. Through these interactions, students learn the challenges and opportunities that makes doing business in the region unique.

Thunderbird Emerging Markets Laboratory --- This is a client-facing, project-based course that involves a one-week immersion in an emerging market around the world. Projects are tailored to the business needs of the client and provide sophisticated data and market analysis; strategy recommendations; and practical, effective plans for sustained growth.
