Educational Studies, Minor

TEEDESTMN

Whether you're looking to get better at what you do or add a new skill, our undergraduate education studies minor is designed to empower you to harness knowledge, mobilize people and take action to improve lives and communities.

Description

Learning happens everywhere and at all ages. The Educational studies minor prepares graduates to work with children, youth and adults in nonprofit settings, community institutions, civic organizations and businesses. It provides a foundation for students to shape the role of education in society and the act of learning.

Students interested in career and technical education certificates can use the educational studies minor to meet coursework requirements for the Career and Technical Education certificate. Additional requirements for the CTE certificate, including work experience, are not included in the minor. Students interested in obtaining the CTE certificate should refer to the Arizona Department of Education website for further information.

Depending on a student's undergraduate program of study, prerequisite courses may be needed in order to complete the requirements of this minor.
Enrollment Requirements

GPA Requirement: 2.00

Majors Ineligible to Add This Minor: All education majors

Other Enrollment Requirements: None

Current ASU undergraduate students may pursue a minor and have it recognized on their ASU transcript at graduation. Students interested in pursuing a minor should consult their academic advisor to declare the minor and to ensure that an appropriate set of courses is taken. Minor requirements appear on the degree audit once the minor is added. Certain major and minor combinations may be deemed inappropriate by the college or department of either the major program or the minor. Courses taken for the minor may not count toward both the major and the minor. Students should contact their academic advisor for more information.
