Do your talents and interests range from accounting to zoology? Consider the exploratory program, proven to help students find their passions. This program does not delay graduation and may actually save you time and money, because you took the time to discover a major that fits you!

Program Description

The exploratory health and life sciences track offers students an opportunity to explore a variety of majors related to the health and life science professions. ASU recognizes that many students are not ready to choose a specific academic program of study when first entering the university. Allowing students the option to declare exploratory status permits them to begin meeting General Studies requirements that all ASU graduates must fulfill as well as affording students some time to explore a variety of academic courses that may lead to a potential major interest.

All College of Integrative Sciences and Arts exploratory students are required to enroll in the following major and career exploration courses, which must be taken sequentially:

- UNI 150 Major and Career Exploration (1)
- UNI 250 Choosing a Major (1)
- UNI 270 Career Direction for a Successful Future (1)

For a complete list of all majors associated with this exploratory track, students should refer to https://cisa.asu.edu/exp-health-life-sciences-majors.

---

**Transfer Options**

ASU is committed to helping you thrive by offering tools that allow you to personalize your transfer path to ASU. Students may use the Transfer Map search to outline a list of recommended courses to take prior to transfer.
ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools, and resources and help students save time and money in their college journey. Learn more about these programs by visiting the Admissions site.

Global Opportunities

Global Experience

With over 250 programs in more than 65 countries (ranging from one week to one year), study abroad is possible for all ASU students wishing to gain global skills and knowledge in preparation for a 21st century career. Students earn ASU credit for completed courses, while staying on track for graduation, and may apply financial aid and scholarships toward program costs. https://mystudyabroad.asu.edu/.

Career Opportunities

Career opportunities are specific to the ultimate major of choice.
