2015-2016 Catalog Year - MAPP
Mechanical Engineering BSE

ASU Major

Mechanical Engineering, BSE - [Ira A. Fulton Schools of Engineering]

Special Requirements

Completion of the Maricopa to ASU Engineering Pathway and all special requirements meets ASU major map requirements and guarantees admission to the Aerospace (Aeronautics), Aerospace (Astronautics), Aerospace (Autonomous Vehicle) Engineering, Mechanical Engineering, Mechanical Engineering (Computational Mechanics), or Mechanical Engineering (Energy & Environment) BSE degree program. Note: Engineering Core Courses should be completed prior to enrolling in any additional lower division requirement courses. While requirements listed will meet ASU degree requirements, only 64 credit hours are transferable to ASU. Special Requirements: 3.0 transfer GPA as calculated by ASU for admissions. All courses must be completed with a grade of "C" or better.

</tbody>
</table>
ASU will accept transfer credit for traditional course work you have successfully completed at regionally accredited institutions of higher education. The applicability of the specific course toward a degree depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Students are responsible for working with their advisor to confirm all transfer transcripts are on file with ASU. For more information: [https://transfer.asu.edu/credits](https://transfer.asu.edu/credits)
